COMMENTS ON STATEMENT OF REASONS FOR ALLOWANCE
UNDER 37 C.F.R. 104(e)

Responsive the Notice of Allowance and Fee(s) Due mailed on June 17, 2008, Applicant believes that each of claims 1-5, 7, 8, and 10-14 is allowable, but does not acquiesce that patentability resides in each feature, exactly as expressed in each of the claims, nor that each feature is required for patentability.

The Examiner's amendment is acceptable.

Respectfully submitted,
